IUPSA (ISTANBUL UNIVERSITY PHARMACEUTICAL STUDENTS ASSOCIATION)

IUPSA is the first union of Pharmacy Students in Turkey. Its purpose is gain new and different perspectives to students with the events that IUPSA organized. Also IUPSA communicate with other pharmaceutical clubs from other faculties of pharmacy and bring together different ideas.

IUPSA organizes seminars, congresses and excursions about different areas of pharmacy profession which are changing and developing. This club works for students and wants students know and adopt their profession.

This events are organised with IUPSA's other departments. Let's look at the departments:

IUPSA Agenda: Its purpose is creating agenda about pharmacy and make works for introduce this profession. This department's aim, to carry out studies by creating awareness about professional problems. It does this by working with a wide range of public opinion polls, video studies and interviews.

IUPSA News: News are sharing at iupsa.com. This is our web site where developments in the profession, corner posts, announcements of IUPSA events and news about pharmacy students are shared.

IUPSA Academic Department: It is the IUPSA department that aims to help pharmacy students who wishes "academic career" by making activities on various researches and enabling brainstorming at departmental meetings and taking the foundation of their academic career.

IUPSANTRAL: IUPSA's communication network. Every year, after the orientation and during the orientation, the first classes are recorded, by this constantly updated guide, IUPSANTRAL allows students to communicate via SMS in the faculty. Transactions such as making announcements, taking activity records, and spreading instant news are done by IUPSANTRAL.

IUPSA TV: This is a brand new IUPSA service that provides Istanbul University Faculty of Pharmacy students, video-based support to students in terms of professional activities and academic development, as well as following the agenda on current professional issues.

In addition to IUPSA's professional activities, it provides communication and cooperation between students and social activities such as various social responsibility projects, football and chess tournaments.
