SSB (SOCIAL RESPONSIBILITY UNIT)

Social Responsibility Unit (SSB) is a student's club for to raise social awareness, to provide social benefit, to become a full pharmacist with all our hearts and careers.

Our vision is raise people who have consciousness, aware of the needs of society, working in a group work with personal efforts and have developed themselves in this position, aware of the problems we live in the society and the world we share, who has universal values for continuity of life and improvement of social life.

What kind of activities are we doing as SSB;

We organize seminars to expand our horizons for our careers,(Sport's pharmacy, the impo rtance of magistrals, the pharmacist's marks)

We visit retirement homes,

We open a LOSEV's stand and donate all the money that we had earned to LOSEV,

We open a bazaar and we donate all the money that we had earned with trusted organisations to people who need

For make awareness, we visit Down Cafe and Dialog in the Dark,

We support Kızılay's wheelchair activity with our cookies,

We send books, materials, toys to the village schools which need that,

We send clothes to the people who need

We aid foods to animal shelters,

We support blood donation

And we do lots of activities. For details you can connect us on Instagram and Facebook from iueczsosyalsorumlulukbirimi.
