Selection Process and Placement

1) İÜYÖS score, order of preference and number of students accepted into a single program from the same country are the criteria taken into consideration in the selection process. The number of students who will be given the right to enrol into a certain program cannot exceed 20 % the total quota of that certain program.

If there is a tie in the selection process among the candidate students the youngest candidate(s) will be given priority.

(2) Special talent exam score, order of preference and number of students accepted into a single special talent program from the same country are the criteria taken into consideration during the selection process and placement of the candidate students applied to the special talent exams already holding the minimum standard score required to become eligible to apply to the programs admitted by special talent exam. The number of students who will be given the right to enrol into a certain program cannot exceed 20 % the total quota of that certain program.

If there is a tie in the selection process among the candidate students the youngest candidate(s) will be given priority.

ANNOUNCEMENT OF THE PLACEMENT RESULTS

Candidate students can learn the placement results at <http://yos.istanbul.edu.tr> by login with their applicant numbers and passwords on 10 July 2017.

“Acceptance Letters” will be posted to the addresses in the İÜYÖS application form of those students who are finally accepted to enrol to Istanbul University. It is also possible for those accepted students to get a digital copy of their acceptance letters via <http://yos.istanbul.edu.tr> by login with their applicant numbers and passwords
