October 30, 2018

To whom it may concern:

Warm greetings from Korea University in Seoul, Korea.

Korea University, founded in 1905, is widely acknowledged as one of the country's oldest, largest and top-ranked universities. The university's academic breadth is extensive with 81 departments in 22 colleges and schools, 23 graduate schools, 141 research institutes, 32 auxiliary facilities, and medical facilities which include a teaching hospital. It has more than 1,694 full-time faculty members and 27,563 undergraduate and 9,448 graduate students in 2018.

KU was ranked 86th in the World University Ranking 2018, 12th in Asia and 1st among Korea's comprehensive private universities released by Quacquarelli Symonds(QS), the British rating agency of universities around the world. KU is now considered a world class research-oriented university and stands among the top 100 universities in 22 out of 48 subjects within five academic disciplines - Arts & Humanities, Social Science & Management, Engineering & Technology, Life Science & Medicine, and Natural Science areas evaluated. Especially Social Sciences and Management ranked 32th, Engineering & Technology ranked 48th, Natural Sciences ranked 66th in the world.

Korea University preparing *The Fourth Industrial Revolution* offers advanced Master's and Doctoral degrees spanning the humanities, social sciences, natural sciences and engineering. These programs share a number of distinctive and desirable features: a high level of engagement between distinguished faculty members, outstanding students and a rich campus environment. Complementing and enriching these degree-granting programs are a wide range of interdisciplinary units that promote intellectual activities and research across departmental and divisional boundaries.

To innovation in higher education, and to the paradigm shift in higher education at the turning point of civilization in the 21st century, KU Graduate School is committed to support in nurturing talents who contribute to the creation of knowledge in research area representing *The Fourth Industrial Revolution*.

We would kindly ask you to disseminate the enclosed poster and make this known to your students. If you have any students who are interested in Korea University's Graduate School programs, please feel free to contact us. We look forward to hearing from you and thank you for your cooperation in advance.

Sincerely yours,

Prof. Sangho Lim
Dean of the Graduate School
Korea University
