Globalization, Democratization and Integration

We are pleased to announce that the 2nd International Balkan Conference (IBAC) organized by Istanbul University with the collaboration of University of Tirana and Epoka University, will be held in October 10-13 2012, in Tirana, Albania. The conference's goals are to gather the scholars who study various aspects of Balkans, broaden cooperation and interaction among them, and establish a room to discuss the region from different perspectives. As in the first IBAC Conference held Skopje-Macedonia, in May, 2011. Balkan scholars are gathering from the local region and the world. You are welcome to participate.

Best wishes,

IBAC 2012, Organizing Committee
