A2-CLIMATE CHANGE - WORKSHOP

ACTIVITY DATES (TO-FROM):	**05.05.2025 - 08.05.2025 (4 DAY)**
VENUE OF THE ACTIVITY (TOWN, COUNTRY):	**Istanbul, Turkey**
PARTICIPATING ORGANISATIONS:	**ISTANBUL UNIVERSITESI(26) , Megunaroden Centar za Obrazovanie i Obuka Prilep(5) , EDC EKSEDRA (4), Mano Europa (2)**
PLEASE EXPLAIN BRIEFLY THE ACTIVITY, AND HOW IT IS RELEVANT TO REACH THE PROJECT OBJECTIVES. IN THE GRID BELOW, PLEASE DESCRIBE WHAT YOU PLAN TO DO, PROVIDING THE DETAILS YOU HAVE SO FAR.	**This project aims to contribute to the sustainability of Europe by vigorously supporting the EU Youth Strategy and the EU Green Deal. With this activity, we plan to change the behavior of the participants. A comprehensive content on the causes of climate change, its effects on the planet and living things, ways to combat climate change, the causes and consequences of environmental degradation, and how we cause environmental degradation and climate change through our choices and actions in our lives will be presented to the participants.**

DAY 1

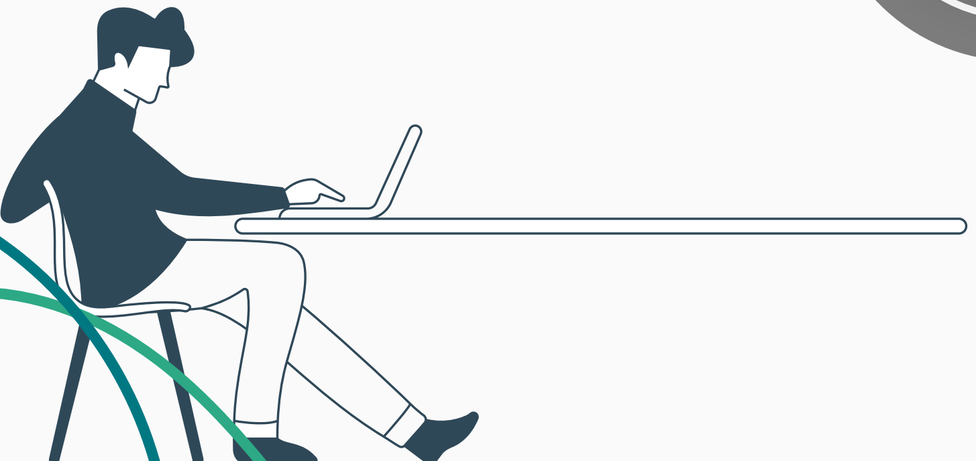

09.30-10.00
Welcome Activity

Participants will be welcomed by Istanbul University (Türkiye) representatives. The objectives of the activity will be introduced, and all participants will briefly introduce themselves.

10:00 - 11:00
Climate Change – Causes and Consequences

This session will explore the scientific background of climate change, focusing on greenhouse gases and global warming. Participants will learn about the causes and consequences of the climate crisis.

11:00 - 11:15
Coffee Break

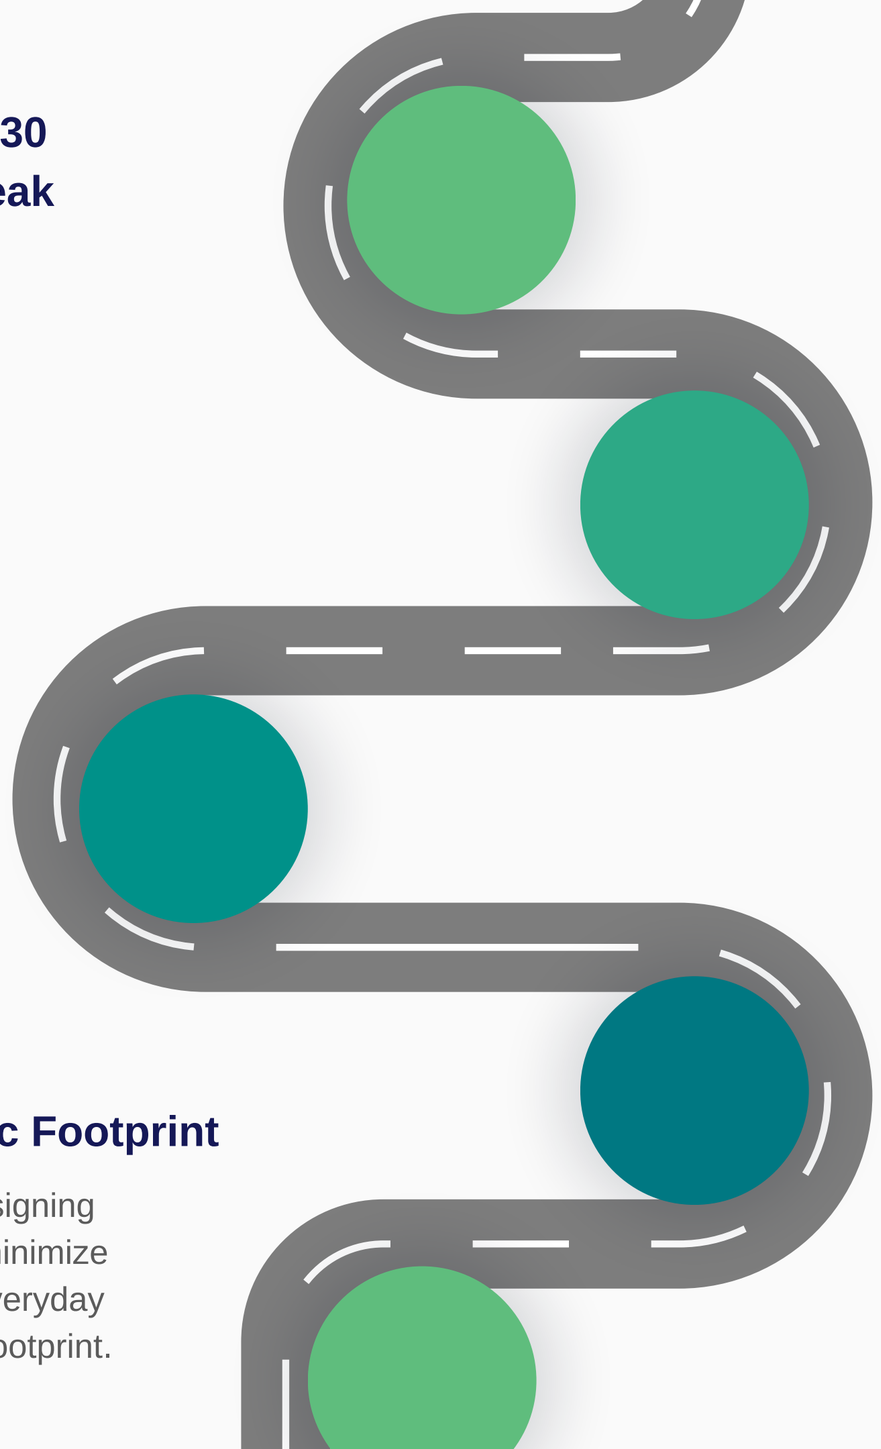

11:15 - 12:30
Environmental Degradation and Human Impact

Through interactive group work, participants will reflect on how human behavior contributes to environmental problems. Real-life case studies will be examined to highlight the importance of personal responsibility.

DAY 1

12:30 - 13:30
Lunch Break

13:30 - 14:30
EU Green Deal and Youth Responsibility

An overview of the European Union (EU) Green Deal will be provided, emphasizing youth engagement. The session will encourage young people to share ideas on promoting sustainability within their communities.

14:30 - 15:30
Single-Use Plastics and Their Environmental Impact

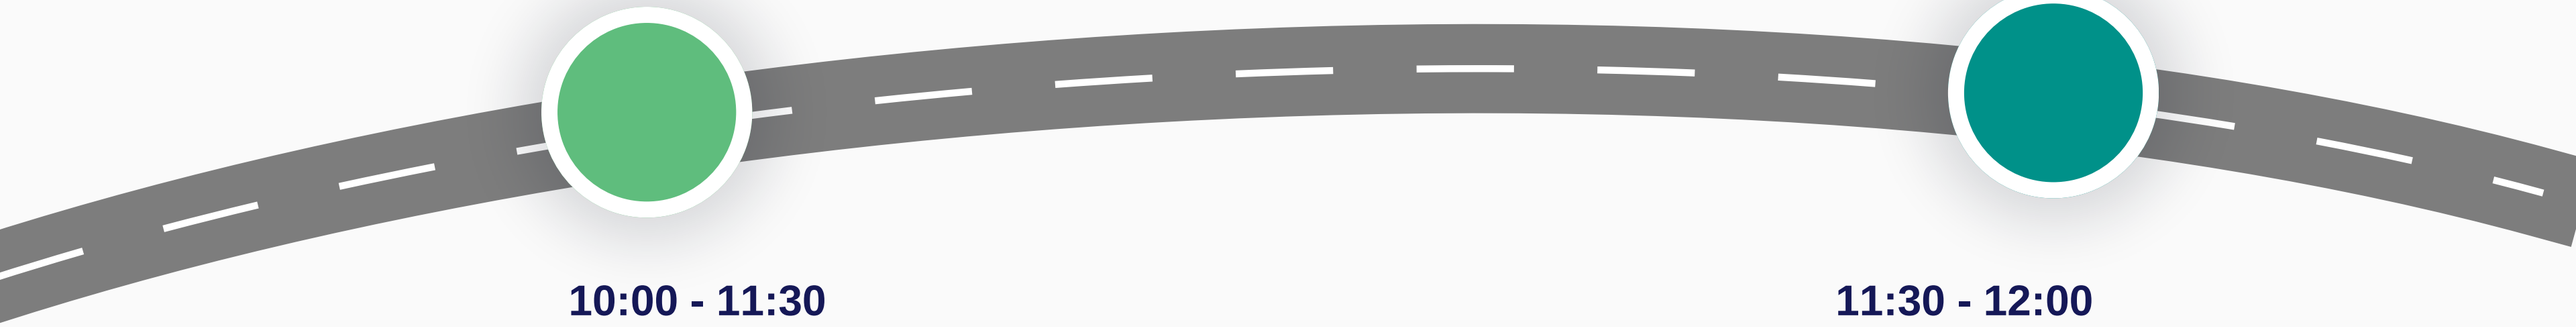

Participants will learn about the dangers of plastic pollution and microplastics. A brainstorming session will follow to explore practical ways to reduce single-use plastic consumption.

15:30 - 15:45
Coffee Break

15:45 - 17:00
Action Planning – Reducing Plastic Footprint

This workshop will guide participants in designing personal and group-based action plans to minimize plastic use. The focus will be on realistic, everyday strategies for reducing their environmental footprint.

DAY 2

10:00 - 11:30
Introduction to Bio-Plastic Solutions

Participants will discover eco-friendly alternatives to traditional plastics. The session will provide an introduction to bio-plastics and other sustainable materials used in everyday life.

11:30 - 12:00
Certification and Future Opportunities

The final session will focus on sustainable entrepreneurship and green innovation. Participation certificates will be distributed, followed by group reflection, networking, and a group photo to conclude the program.
