As Cerrahpaşa International, we use technologies such as cookies, pixels, and gifs (collectively cookies) to improve your experience while visiting our online platforms. The utilization of these technologies is done in compliance with the 6698 numbered Law on The Protection of Personal Data (KVKK) and regulation we are subject to.

Hereby the purpose of this cookie policy is to inform users about how we use personal information collected through the use of cookies by users/members/visitors (data subject) during the operation of www.cerrahpasainternational.com web site (hereafter the site). In this policy, we wish to explain which types of cookies we use on the site, for what purposes we use them, and how we can control them.

As Cerrahpaşa International, we may give up on using cookies, change types and functions of the cookies we use, and add new cookies to our site. Hence, we reserve the right to change this Cookie Policy at any time. Any changes in this Cookie Policy will become effective with being published on the site or any platform open to the general public. The date of the latest revision will be at the top of this text.

Cookie Types and What They Are Used For

As Cerrahpaşa International, we use cookies for several purposes on the site and collect your personal information through them.

Cookies We Use

We use both first party cookies (cookies set by the website you're visiting) and third-party cookies (cookies set by parties other than the website you're visiting) on our site.

Strictly Necessary Cookies: There are some cookies that are essential for our site to function. For example, authentication cookies that activate when you log in to our site keep your account active while you are visiting a different page.

Functionality Cookies: These cookies allow us to remember the choices and preferences you made on our site and provide more personal features and services. For instance, these cookies can be used for remembering your language preference on our site and changes you have made to font size while reading a text.

Social Media Cookies: Social Media Cookies enable us to collect information about your social media activities. For example, these cookies might use data from your Facebook/Twitter account to provide personalized advertising or conduct market research.

Performance and Analytics Cookies: We use performance cookies to collect information about your use of the site and to improve services we provide by analyzing the site's performance. For example, thanks to these cookies, we can detect which are the most frequently visited pages, whether or not the site operates properly, possible problems, and make the necessary arrangements.

Targeting or Advertising Cookies: We use these cookies to promote services and products on our site or on other platforms. In addition, we may cooperate with our business partners to advertise on our site or third party sites. For example, advertising cookies can be used to track whether you clicked to an advertisement you saw on our site and whether you used the service provided by a site after being forwarded there by the advertisement.

Management of the Cookies

You can personalize cookie preferences by changing your web browser settings.

Your personal data may be processed with your consent for situations under the Articles 5 and 8 of the Personal Data Protection Law, otherwise it may be processed without your consent under the circumstances where another data processing condition is valid. As Cerrahpaşa International, we may share your personal data, which are within the scope of the informing text, with the suppliers and affiliated partners of our institution in compliance with the legislation to accomplish above mentioned objectives. We would like to underline that the parties, whom the data is transferred, can store your personal data on servers in different countries.
