Which tests are performed at Cerrahpaşa?

COVID-19 PCR test is done at our Faculty.

I want to go abroad, where, how and when can I get tested for COVID-19?

To get a PCR Test before going abroad it is required to apply to the "COVID-19 Screening Centre For Passengers Going Abroad" located on upstairs of the pandemic clinic within the Cerrahpaşa Campus (close to the upper entrance door).

How much is the testing price? Are there any additional fees I need to pay?

Testing for passengers going abroad is charged as 250 Turkish Liras (TL) per person. If a document stating flight information is not submitted, the testing is charged as 300 TL per person.

What are the documents I need to bring with me?

When you come to get tested before going abroad, you should bring the original of the passport, a copy of the passport, document stating flight information and 250 Turkish Liras for each person who is going to get tested.

How and where can I receive my result?

You can follow your result on the enabiz.gov.tr web page with your barcode number and passport number, and print the results from any available printer. Since a result paper with a wet signature is required at airport controls, you can visit the Screening Centre for Passengers Going Abroad between 08.00-16.00 o'clock on weekdays for signed approval of the printout of your result. Turkish and English printouts for your results are provided at our Screening Centre between 08.00-16.00 on weekdays and at the "adult emergency department" of our hospital on weekends and public holidays.

How long before my flight should I get tested?

This period changes depending on the country you are flying to. Please check it from the related web sites. At airport controls, the period between the time when your application is taken for being tested and when is your flight is taken into account.

STEP 02

I have symptoms of COVID-19, where and how I can get tested?

Respiratory (pharyngeal and nasal swab) samples for the testing are collected from adult patients in the **pandemic clinic** and the **adult emergency department**, from paediatric patients in the **paediatric emergency department**. Samples obtained are analysed with the PCR method at the COVID-19 laboratory.

What are the working hours?

Patients with COVID-19 symptoms can apply to the **pandemic clinic** on week days between 08.00-16.00 o'clock and to the emergency department during weekends and out of working hours.

Passengers going abroad can apply to "COVID-19 Screening Centre For Passengers Going Abroad" between 08.00-15.00 o'clock on week days and between 09.00-16.00 o'clock on weekends. In order to provide you with a better service, we kindly request from you to use our **appointment system**. Test results are provided 24/7.

STEP 04

How / where the payment is made?

The testing fee is made to the "cashier's office" located in the Screening Centre for Passengers Going Abroad as cash (TL) or with a credit card. The received fee is deposited into the Hospital's revolving funds account.

STEP 06

How long does it take to receive test results?

The results are approximately out within 12 hours.

STEP 08

Can I get a PCR test with a personal request (without the request of a physician)?

Yes. In this case, it will be sufficient to pay 250 TL as the "optional test" fee and 50 TL as the examination fee.
