

Stipendium Hungaricum Scholarship Programme

1. The Scholarship Programme is open for non-European citizens (the USA, Canada and Australia are also excluded while Ukraine, Israel and Turkey are included). It is open for applicants who wish to study in any Hungarian higher-education institute. Submission deadline: **15 January 2021**.
2. The scholarship programme covers all costs of the students (tuition fee, living allowances, accommodation, health insurance). More information on the scholarship programme: <https://wesley.hu/wesley-college/foreign-students/scholarships/>.
3. Two of our academic programmes are available for scholarship holders:
 1. **Environmental Studies BSc**: bachelor programme in English study language. The graduated students get a certificate of "Applied Environmental researcher" and may continue their studies in master level. More information on the the programme: <https://wesley.hu/wesley-college/programmes/environmental-science-bsc/>
 2. **Preparatory Programme** (non degree): this is a two semester programme that aims to prepare international students for participating academic programmes with Hungarian study language. Finishing this course the participants are eligible for starting their studies in any of our academic programmes such as Pedagogy BA, Social worker BA or Theology BA programmes. More information on the the programme: <https://wesley.hu/wesley-college/programmes/preparatory-course/>
4. Applicants with ongoing university studies are also eligible in this programme: their relevant subjects will be considered by a credit transfer process.
