EXPERIMED

Experimed is glad to announce that the first issue of 2023 published nine original research articles and one valuable review to the literature belonging to 14 different universities from Turkiye.

I am very gratefully sending my deepest thanks to,

Researchers who have share their valuable work with Experimed,

Editorial Board Team who has conduct with great labour in all stages,

Dear Institute Director Prof. Dr. Günnur Deniz who has expressed her supportive gratitude for Experimed to University's management platform,

As a member of the Istanbul University Press team, Eda Kolukisa Doğru, Merve Ağırğün and Ertuğrul Yaşar worked hard to ensure timely publication.

We are very pleased that our growing influence in the literature with this amazing Experimed Team gives us more courage to shed more light on science with new publications.

Prof. Dr. Bedia Çakmakoğlu
